### PART II)

My Uncle Chris is the best uncle I have. He is tall and thin, he has dark hair and brown eyes. Uncle Chris is a gardener, a car-mechanic, an electrician and an animal-lover all in one.

He is unemployed but does a lot of odd jobs for people, who helps him a lot. He has a great sense of humor. He has lots of ideas, too. He's always very positive about things, he never gets angry. And he's very friendly. I think that's why so many people like him and he's very popular. He usually wears dark jeans and shirts but when it's cold he puts on his warm winter jacket and his funny red woolly hat. He really likes to go fishing on his boat. When there is a celebration in the family, a wedding or a birthday, Uncle Chris always dresses in a funny way.

Uncle Chris loves animals, he can spend hours talking to them, caring about them and doing all sorts of jobs that one does when looking after animals. He keeps pigeons, fish, rabbits, a ferret and a dog. He is a great animal expert, he knows a lot about animals and always helps people when their pets are ill.

Uncle Christ will be 57 tomorrow! Happy birthday Uncle Chris.
