### Exercice 1 (exercice seul)

Monica **is** my best friend. She **is** 14 years old and we **are** in the same class.

She **likes** being around people and she **is** very caring and outgoing.

That's why she **has** lots of friends.

She **feels** comfortable in new situations and she **doesn't mind** speaking in front of the class.

The one thing she **doesn't like** is playing sports !

And the one thing we both **hate** is tidying our rooms !

We **prefer** to hang out with our friends.

We always **have** great fun together.
