### Activity 5

En guise de correction, voici la description de mon jour préféré au collège :

My favourite school day is Friday because it's the last school day of the week! 😊

I **get up** at 6:00am, then\* (= puis / ensuite) I feed my cat and I have a shower at 6:10am. Next\* (= après), I **get dressed** and I **have a quick breakfast**.

At 7:20am, I **drive to school**. It's a long drive: one hour!

I **arrive at school** at 8:20am. I have 4 classes in the morning: the European section class, the 6C, the 4B and the 4C.

Then, it's lunch break! I **have lunch** at 12:30.

In the afternoon, I have 4 more classes: the 6C again, the 4B again, homework club and the 5D.

I **come back home** at 6:45pm, I feed my cat again and I have a nice evening watching Netflix 😊
