Phonology

La prononciation du « k »

Listen Knight, know, knee, knock, knit, key, kick, kind, kingdom.

Réfléchis : Écoute et barre les « k » que l'on n'entend pas dans la liste ci-dessus.

Répète : Nutty Knott was not in, Nutty Knott was out. Knotting knots in netting, Nutty Knott was out. But lots of knots, were in Nutty Knott's knotty netting.
