

How to ask one's way - Corrigé

Dialogue 01 :

- Excuse me madam! I **would like** to go to the hospital... How can I go there?
- Good afternoon sir! Well, it is easy. We are at the intersection of East Drive and Central Avenue, do you see?
- Yes, I do.
- Good. Now you need to go straight on Central Avenue. **Go along** the park as far as Broadway Street. Then, you need to cross the street and **carry on**.
- All right, so after Broadway Street, I need to **continue** as far as River Avenue.
- Exactly! Turn right on River Avenue and cross it. You need to turn left on Home Street and go straight as far as River Way. Finally, you need to **carry on** as far as West drive. The hospital will be in front of you!
- Thank you kindly, goodbye!

Dialogue 02 :

- Hello mister, I **would like** to go the closest car park. Do you know how I can go there?
- The closest car park... We are on North Road, right? So, you need to turn right and go straight down on River Avenue. Then, you need to turn left and **carry on**, on Central Avenue. Cross Broadway Street and the car park will be there.
- Is it the Central Park car park?
- Yes, it is.
- Thanks a lot for your help, bye!
