

READING IN MY LIFE

A book is one of the greatest wonders of world. Why are so many people fond of reading? The world of books is full of wonders. Together with the characters of books you can find yourself in different and countries, have a lot of adventures. The book is a faithful friend. They form our values and characters. We try to look like the characters of your favourite books: to be brave, honest, not to be silly and greedy, to be real friends. We enjoyed the beauty and wisdom of fairy-tales and fables when we were babies. They taught us to be kind, clever, hardworking, to understand other people and help them. They teach us to understand the beauty of nature, take care of it, to love our homeland.

Books have been with us since childhood. Who hasn't read "Alice in the wonderland", "Mowgli"? Who hasn't travelled with Marry Poppins to her imaginary world? Who hasn't imagined himself to be Robinson Crusoe on the deserted island?

I have read a lot of interesting books. There are some which impressed me more. First of all it is Noter Dame de Paris, Jane Air, Angelica, Little Prince, detective stories of Conan Doyle, Dracula by Bram Stoker and many others. But my favourite book is "The adventures of Tom Sawyer" by Mark Twain. This well-known book is popular with the children all over the world.

The main character of the book is Tom Sawyer, who lived in a small town on the Mississippi River. He was a boy with a wild imagination. He and his friends often dreamed of different adventures. Tom was naughty, kind and brave. Besides he was noble. I like this boy because he teaches us to be true friends. Books are worth reading.

Reading plays a very important role in the life of people. It educates a person, enriches his intellect. Books bring pleasure and delight. It's a wonderful way to spend spare time. Sometimes we read the same book again and again. Thanks to books we learn to express our thoughts and feelings more exactly. The book is a faithful and understanding friend. It can be put aside and taken up again at any moment. People are fond of reading different kinds of books. Some people enjoy reading detective stories, adventure stories, novels, biographies, other prefer classics. Fairy tales are enjoyed and read by children, books about adventures and journeys are enjoyed by those who are fond of travelling. Legends and myths are read by those who are fond of history. Many people enjoy so-called "easy reading"- detectives, amusing, humorous stories, fantasy. But so many people, so many tastes.

As for me I like reading books in my free time. Books help me to distract from my problems and daily routine and to get into another world. I like the various genres of books. It depends on my mood which book I take to read. Every book gives birth to special inner world in my mind and in my soul.
