

LE VOLEUR DE SYLLABES

S'entraîner à identifier la syllabe volée

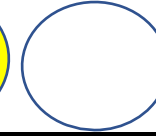

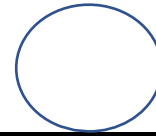

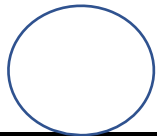

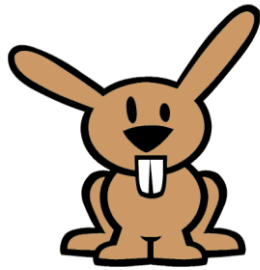

(Grande section)

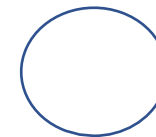

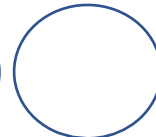

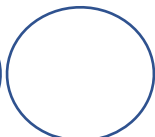

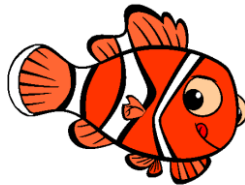

A partir d'un jeu de phonologie pour les CP, « le voleur de syllabes », trouvé sur Pinterest, et provenant du site <https://classeurdecole.wordpress.com/>, j'ai eu envie de l'adapter pour ma grande section. J'ai fait donc des fiches pour les enfants de GS, mais avec un travail sur les syllabes orales. J'ai trouvé le titre génial et j'ai pensé personnaliser l'exercice avec un petit voleur qui plairait certainement à mes petits élèves !
