

Unit6-How does gentrification impact US cities ?

Brainstorming

New York – Gentrification and Displacement

1/Read the Culture Tip and find elements in the text to show the area is gentrified.

Culture Tip

Gentrification is the restoration of a broken-down urban area. Buildings are modernised, new businesses open and many people who have always lived there must leave because everything gets more expensive.

2/Explain why long-time residents aren't satisfied with the changes in their neighbourhood.

3/Show how Crown Heights has become a better place to live.

EE Post a comment from Clentine Fenner on the Facebook page of the town hall to complain about gentrification in Carroll Street.
