

## Smiling Is Infectious

by : Spike Milligan

Smiling is infectious,  
you catch it like the flu,  
When someone smiled at me today,  
I started smiling too.  
I passed around the corner  
and someone saw my grin.  
When he smiled I realized  
I'd passed it on to him.  
I thought about that smile,  
then I realized its worth.  
A single smile, just like mine  
could travel round the earth.  
So, if you feel a smile begin,  
don't leave it undetected.  
Let's start an epidemic quick,  
and get the world infected!
