The screenshot shows a classroom screen displaying a presentation slide. The slide has an orange background with a leaf pattern. On the left, there is a clock widget showing 9:23 AM. The main text on the slide reads: "J'ai cru voir l'ombre d'un MONSTRE!" in red, and "AH, c'est une Chimère!" in blue. Below the text is a cursor. At the bottom of the slide, there is a toolbar with various icons for background, poll, random name, qr code, sound level, image, text, draw, work symbols, traffic light, timer, clock, and more widgets. The browser address bar shows the URL: classroomscreen.com/app/screen/w/3eac7fcb-ce9e-413b-a2ec-2874de8b6202/g/4ae15299-5a98-4475-b7a1-14fbd7a19920/s/b392a887-4b48-4e07... The browser tabs include "New Collection", "Architecture en 5e", "ARCHICOLL (1).pdf", "Webmail de l'acad...", and "Microsoft Word". The Windows taskbar at the bottom shows the search bar with the text "Taper ici pour effectuer une recherche" and the date 08/11/2022.
