At my school we have a cafeteria, but I prefer to bring my lunch. My best friend always brings a packed lunch too so we eat together on the playground. In my lunch box today there is a hamburger, a yogurt, an apple and some orange juice.

Here in New Zealand, we always make our lunches at home. Every day I take my lunch to school in a lunch box. Sometimes I make it myself but my mum often makes it for me. There's usually a sandwich, a soda, some fruit and some chocolate for my afternoon snack.

I never eat at the school cafeteria. I always take a packed lunch to school. I usually have a sandwich and carrot sticks with some mayonnaise. I often have some fruit. Today I don't have any vegetables but I have donuts for my afternoon snack. I love donuts!
