This picture is a poster of the film *The Great Gatsby*. From the clothes the actors are wearing, we can guess the story takes place in the past, perhaps at the beginning of the 20th century. Leonardo Di Caprio is standing in the middle of the poster so he is probably the hero, the main character. He is very smart. He is wearing a black jacket and a white shirt and a black bow-tie. He looks very serious. He is perhaps a rich man. Two men are standing next to him: I suppose they are his friends or his colleagues. The man on the right has a moustache. He is wearing a blue suit, a red tie and a straw hat. This type of hat was fashionable at the beginning of the 20th century. The man on the left is wearing a brown suit and a tie. He has his hands in his pockets. The three women are very well-dressed, very smart with evening-dresses on and jewels. The girl in the foreground is wearing a fur collar and a stylish hair band. They look like singers or dancers in a nightclub. We can suppose these people are rich and they probably often have parties.
