

WHAT ABOUT COMICS ?

Soon comic book fans could buy comic books featuring Captain America, Batman, Green Lantern, Wonder Woman, Flash, Plastic Man, Captain Marvel, and many others. Comic book sales increased dramatically during World War II. People could not get enough of the patriotic, inspirational stories of good overcoming evil. Plus, they were cheap. Captain America was particular popular during the war. Comic books remain popular today. Classic comic books can also be extremely valuable. *Action Comics #1*, in which Superman made his debut, is still considered the most valuable comic book in the world. In 2014, a copy of the classic comic sold for over \$3 million!
