

Police investigation

INTERACTION ORALE

Je peux répondre à des questions simples et réagir à des déclarations simples dans un entretien.

Je peux utiliser un questionnaire préparé pour conduire un entretien structuré, avec quelques questions spontanées complémentaires.

Stratégie : penser aux éléments nécessaires pour la conjugaison du prétérit be+ing.

Stratégie : s'appuyer sur ce qui a été compris pour rebondir.

A2-

B1

What were you doing, when somebody shot Kennedy ?

A

I wasn't doing anything !

You are a policeman investigating on JFK' s murder, ask suspects questions to know what they were doing when President Kennedy was shot. Write the answers under the corresponding suspects.
