Dear Journal,
It's my first day at Miss Peregrine's home. The manor is large and so beautiful. I like it a lot. There are other children like me, with a peculiarity. They live with her because ordinary people persecute them.

Emma, who can float in the air, is very kind. I like her very much and I hope we will be friends. Other children are very scary though. Enoch can inanimate dead things. I don't speak with him very much because he's quite grumpy and arrogant. There are twins who use telepathy to communicate. So, they never talk to us! Bronwyn is my favourite! She is always joyful and she is extremely funny. She always wants to play with me.

Talk to you soon,

Jacob
