

...a feeling of expectation and desire  
for a particular thing to happen.

Hope is when you want something  
great to happen

Hope is like shooting star

Hope is related to the winter holidays like: Christmas, New Year and more...

Everyone needs to be reminded from time to time of the hope that God, Jesus and the Bible offer to us in our daily lives.

# Infinite hope

Hope is to wish for something you want to have like: to have snow , to have great holidays , and more...

...when you wish good to others...

But hope is when you wish good to others like:

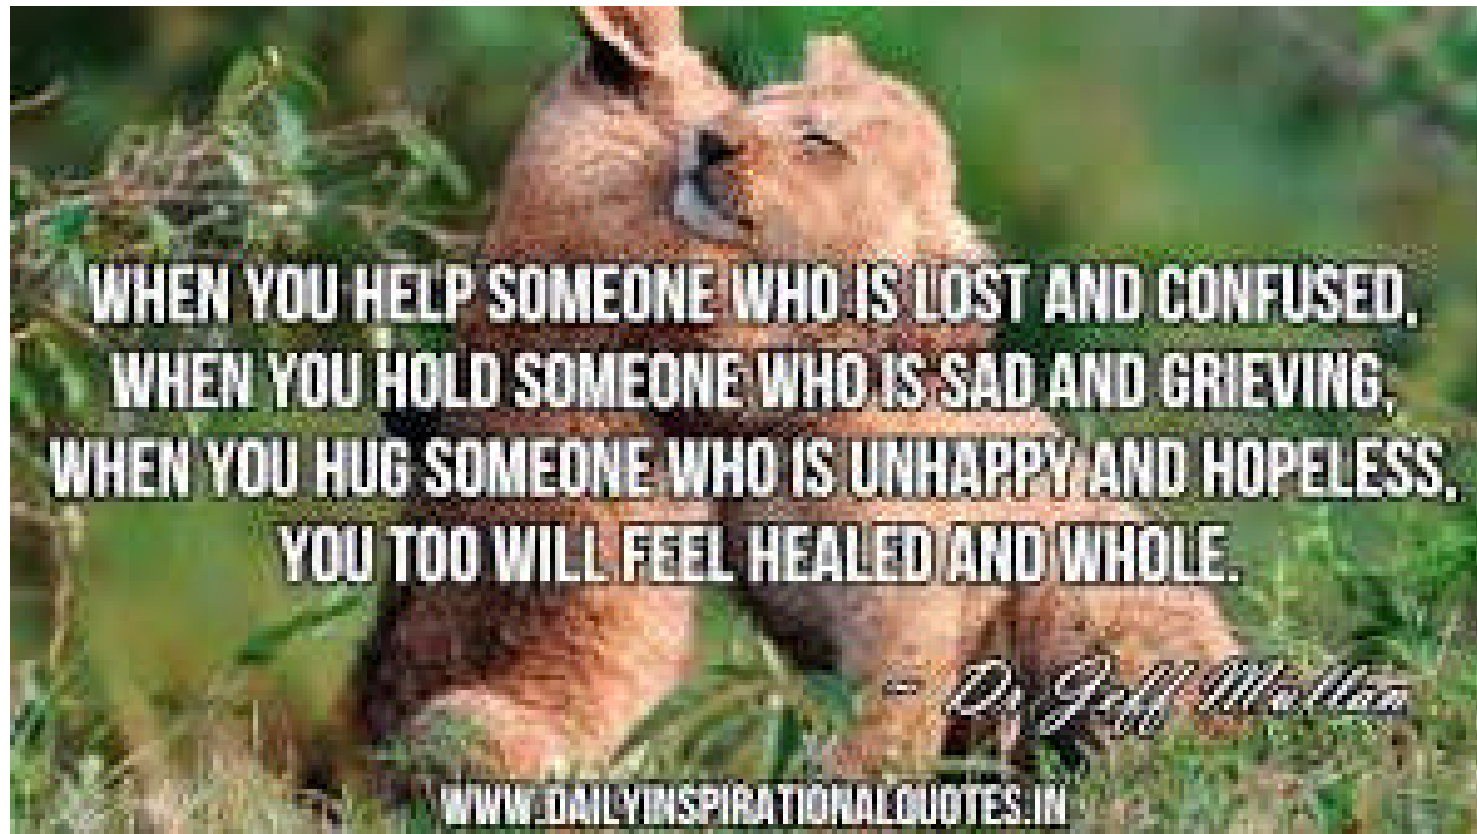

- I hope children never will be hungry
- I hope there will never be war in the world
- I hope that the rare animals will not be extinct

# Hope & Faith

The Hope gives to the people strength, patient, resolve. Hope is when we have faith that everything is going to be ok

# When you help someone...

# Hope for a better life...

I May be Homeless  
but My Life is not  
Hopeless.
