

VALUE FRIENDSHIP - PRIJATELJSTVO by Kaja Vasileva VI-d

Lav, magarac i lisica

Magarac i lisica udružili su se i pošli zajedno u lov. Putem su susreli lava te se lisica pobojala za svoj život. Primakla se lavu i ponudila magarca u zamjenu da nju poštedi. Lav je prihvatio njezinu ponudu te je ona povelala magarca do jedne prikrivene rupe. Magarac je upao u nju te više nije mogao izaći. Lav je uvidio da magarac više ne može pobjeći te je prvo udavio lisicu, a zatim krenuo na magarca.

Pouka: Stradat će oni koji iznevjere svoje prijatelje.

A lion, a donkey and a fox

The donkey and the fox teamed up and went hunting together. On the road, they meet with the lion and the fox feared for her life. She approached the lion and offered the donkey in return to spare her. The lion accepted her offer and she led the donkey to a hidden hole. The donkey fell into it and couldn't get out. When the lion saw that the donkey couldn't escape, he drowned the fox and then he started chasing the donkey.

Moral: Those who betray their friends will suffer.
