

SPANISH LANGUAGE

Spanish language [*español*] is little bit specific, but very nice. There are very beautiful songs on Spanish with emotion words in there. My favorite are: love [*el amor*], happy [*feliz*], safe [*la seguridad*], lonely [*solitario*], proud [*orguloso*]...

ABOUT THE LANGUAGE

Spanish language has very specific accent. It is world's second – most spoken language [more than 480 million native speakers].
