

VALUE WISDOM – Mudrost by Stefan Markovski VI^D

Lav i medvjed

Lav i medvjed našli su jedno lane te su se borili koji će ga uzeti. Nakon žestoke borbe, izmučeni su i iscrpljeni pali na zemlju. Dok su se oni odmarali, dotrčala je lisica i zgrabila lane. Obojica su uskliknula da su jedan drugome činili toliko zla na zadovoljstvo lisici.

Dok se dvojica svađaju, treći se smije.

Ko se zadnji smije, najslade se smije

The Lion and the Bear

The lion and the bear found one flax and fought who will eat it. After a bloody fight, they were tired and very exhausted and they felt on the ground. While they were resting, from out of nowhere, the fox ran and grabbed the flax. Both of them realized that while they were hurting themselves so much, they made a favor to the fox.

When the two are arguing, the third gets the prize.

Whoever laughs the last laughs the sweetest
