FOX AND CAT

One day, a cat found a big piece of meat and quickly climbed a tree to eat on its own and not share it with anyone. A hungry and cunning fox saw it and came under the tree. The cat looked proud and defied it with the meat in its mouth. Then the fox gets fed up and asks her: What are you eating, kitten? And the cat proud said: Meeeat! and her flesh fell out, and the fox immediately grabbed it and climbed into a nearby tree. Then the cat asked the fox: What are you eating? And the fox's clenched teeth answered: flesh, flesh! So the fox cheated on the cat and the cat went hungry.

LISICA I MACKA

Jednog dana, jedna macka je našla veliki komad mesa i brzo se popela na stablo da bi ga pojela sama i da ga ne deli s nikim. Jedna gladna i lukava lisica ugledala ju je i prishla ispod stabla. Macka je izgledala ponosno i prkosila je s mesom u ustima. Tada se lisica doseti i pita je: Što to jedeš, macooo? A mačka ponosna: Mesoooo! I meso joj je ispalo iz usta, a lisica ga je odmah zgrabila i popela na obližnje stablo. Tada je mačka upitala lisicu: Što to jedeš lijooo? A lisica je stisnutih zuba odgovorila: meso, meso! ne ispustajući meso iz usta. Tako je lisica prevarila mačku i mačka je ostala gladna.
