

Getting ready for the final task (2).

Objective : understanding how to write a dialogue for a script.

1- Apprends à écrire un dialogue. Write the questions:

NASA: ".....?"

Jim: "I don't know exactly where we are."

NASA: ".....?"

Jim: "We landed about an hour ago."

NASA: ".....?"

Jim: "So far, we have seen a forest and water."

NASA: "Have you met any living creatures?"

Jim: "No, we"

2- Apprends à donner des indications aux acteurs.

This is an extract from a science fiction scene. Put the stage directions in the right place.

Crying / Shaking her/ Horrified/ laughing

Targ (.....): "We've finally managed to destroy them!"

Aria (.....): "I can't believe you're laughing..."

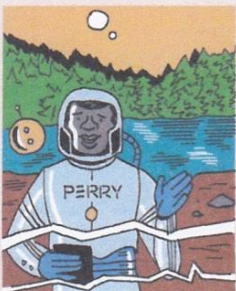

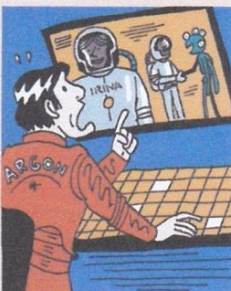

Targ (.....): "Listen here! This was necessity!"

Aria (.....): "All these people...dead...because of you..."

3- Entraîne-toi à écrire une scène. Write the dialogue of this science fiction scene.

Write **one sentence for each picture** and add the stage directions for the actors.

Synopsis: Argon and his crew are on Planet Hoth. They landed five days ago. Perry and Irina are exploring the area. They have been away for two days and have just established radio contact with Argon.
