

Preterit worksheet

1- This is a text on John Lennon's death. Read and observe

December 9, 1980

LENNON IS DEAD

Yesterday in New York, a madman assassinated John Lennon, the world-famous singer-songwriter.

Millions of fans all around the world watched in horror as the reporter announced the news on television.

John Lennon was born on October 9, 1940 in Liverpool, England. From 1960 to 1970 he played with the Beatles, the most successful rock group in history. The Beatles travelled all around the world from 1963 to 1970 and they played in hundreds of different places. Then, in 1970, the Beatles separated. At the time, they didn't explain why. Lennon married Yoko Ono in 1969 and he moved to the United States with his family. He composed and recorded songs like *I Don't Want to Be a Soldier* and the very famous song *Imagine* during the 70s.

For the whole world, Lennon symbolized peace and love.

- 1- Que contiennent comme information les encarts jaunes :
Elles font référence à du présent ou du passé
- 2- Que sont les mots dans les encarts rouges :
Ici les verbes sont donc conjugués au présent au passé (prétérit)
Quand tu observes, quel est le point commun à tous ces verbes ?
- 3- Tu as déjà commencé à apprendre les verbes irréguliers, ces verbes dans les encarts rouge sont donc des verbes
- 4- Si on résume, chaque verbe au est accompagné d'une

Cela signifie que le prétérit est un temps qui est toujours repéré dans le temps grâce à
