

What's it like to be a park ranger?

1. Find the two types of rangers mentioned in the text and write their missions.

They fight fires.

They can give first aid.

They guide people.

They enforce the law.

They teach students.

They protect people.

Interpretive park ranger

Protection ranger

guide people

fight fires

protect people

give first aid

teach students

enforce the law

The missions

Ann is an interpretive park ranger because she guides students
