

Tom's holidays were exciting because he went to Los Angeles. He stayed there for three weeks. The weather was hot and sunny, it was 100°F, that's why he went to the beach and swam in the Pacific Ocean. He went to Hollywood and its Walk of fame and saw Shrek's star. He also visited Universal studios, he walked down Sunset Boulevard and took 23 selfies with palm trees. He also went shopping and bought a Hawaiian shirt. He loved his trip because he posted 200 photos.
