

Read and find the corresponding coat of arms.

- 1 There is a blond woman on the left and a doe on the right on a field of thistles. From top to bottom, we can see: an anchor, a gold crown and a castle in a shield.
- 2 There are two men: on the left, there is Neptune holding his trident and Triton on the right. There is a liver bird at the top, in the shield and in the flag. There's also a ship in the other flag.
- 3 On the left, we can see a chained wolf and there is a seahorse on the right. In the shield, there is a bell on a red background, there is vair and at the bottom, there is a sailing ship.
- 4 There are two lions on each side. A lion paw is holding an anchor at the top. There are four towers in the shield. There are also three crowns. The motto is at the bottom.
