

What colour are you today?

Listen to the song. Number the speech balloons.
Colour these dudes according to the song.

Hopping mad
like a
playground ball

Gloomy and
down like a
morning fog

I shine my light
out like the sun

Bright and
happy like a
butterfly in
the air

Loud and messy
like finger paint
on the wall

I chirp with
joy like a
cricket song

Strong and
tall a great
big bear

Soft and
quiet like
new snow

Calm as glass
and cool like
the sea
