

# Time Tagger

By Azima

Once upon a time, in a land called Earth, lived a girl called Melody and her friend called Desy. Melody's hair is as short as a bed like me  
Melody just found a strange machine that she believe the machine can be work as a time machine, so she wants to go back to the past times to fixed some mistakes she made in the past.

She broke her friend's Nintendo switch. She feel bad about it, because her friend, Desy was so mad to her. Melody and Desy are neighbors, Melody live next door Desy's house

The machine is not in good condition so Melody asked her brother Nio to fixed it. Melody give her word if he can fix the machine she have to let her brother join to the past

They fix the machine and have a journey to the past together. Instead of they go to the right time, they went to wrong times and doing some mistakes again. but then the time machine was stolen by a robot they ran as fast as they can but they lost track of the robot but they saw tire tracks so they followed the tracks and they found the robot and the robot accidently drop the time machine so Nio and Melody quickly grab the time machine and went back in.

Finally they can go to the right time before Melody broke Desy's Nintendo switch. In this time, she try to avoid the mistake but could not do it. But Finally she have an idea to wash and wipe her hands so she wont got slippery when she hold the Nintendo switch. Than it doesn't broke anymore.

Melody and Mas Nio try to go back to the present time without any mistakes and finally Melody and Mas Nio can go back to the present time and find Desy happy again they all play together!
