Baby shower cards used to be great, but if you are seeking something that is exceptional in the future, one great idea is to give something that is useful. You can personalize a nice book and give the details about the parents on each page. You can even think of giving them pet names beforehand. It is always helpful to add an individual touch and add something thoughtful, as it can create a bonding of love and affection in the future. Pick anything in the **baby shower gift ideas for twins** and add a touch of personalisation you will be good to go.

Then again, you can make a scrapbook or a decent photograph collection. Put the couple photos of the guardians to-be. Request a few photos of the couple and afterwards have them recopied with the kids that you will have to use in making a scrapbook or photo collection.

Another good idea is to make a charming how-to manual for the new parents. Surely, your recipient will enjoy this creative and very kind present in which you have put your heart and soul. You may add in the manual some basic how-to's that new parents should be aware of, through how to treat mild fever and rashes, how to burp the baby, how to feed the baby, and how to make your baby smile. These things are very suitable for new moms.
