

How Many Outfits Do Baby Twins Need?

With twins, there is an unavoidable doubling of **Twin Stuff**. Especially when it comes to outfits and accessories. It can be hard to resist the temptation of putting a bunch of [Twin Baby Outfits](#) into your shopping bag when you are surrounded by so many amazing and cute pretty outfits. But the truth is if you give in to temptation and buy every romper, cute and pretty outfit, or cute sleeper that catches your eye, you'll probably end up with a whole lot of different clothes that are never worn.

If you are a new mother of twins then you should keep in your mind that when it comes to outfits and clothes, there is so much more than just the age of your baby. A newborn baby doesn't require that many **Newborn Twin Outfits** or baby outfits because the size and height of a baby change fast in the first 6 months. Many online shopping sites, shopping malls, and local baby outfit stores nowadays provide baby clothing size charts so you will see the height and weight matrices.

What are the categories of baby clothes?

Baby clothes generally fall into three main categories: newborn or infant (0-6 months), baby (6-12 months), and toddler (12 months and up). Along with these three main categories there are also three or four subcategories. These subcategories of baby clothes size in three months increments during the first year of your baby. After the newborn or infant size, sizes of baby clothes often go like this: 0-3 months, 3-6 months, 6-9 months, 9-12, and so on. As we all know babies grow fast between the baby and the infant stage, your baby is most likely to grow out of their outfits during their first six months.

What kind of outfits are for twin babies?

You can choose between [Boy Girl Twin Outfits](#), twin boys outfits, and twin girls outfits that are available in the market depending on your baby twins. You can select twin outfits based on whether your twins are both boys, both girls, or a boy and girl. But keep in mind that whatever outfit you may choose, should be comfortable for the baby so that it won't cause any rashes, or itching to the baby. The material of the clothing is important in baby clothes, make sure to select a good quality material of clothing to avoid skin problems that can cause by a cheap or uncomfortable clothing material.

Should I dress my twins in matching outfits?

There is no right or wrong answer to dressing alike or matching outfits. After the age of three or so, the children can decide and express their own opinion regarding clothing, it will then depends on them whether they like to dress alike or different. Twins generally have a special bond. dressing the twins differently from each other doesn't do damage to that possibility.
