### Soft toys and Rattles

The perfect gift for twins is a small soft rattle or soft toy; you could get them both the same rattle or one from the same collection, such as a pink elephant for a twin baby girl and a blue elephant for a twin baby boy.

## Nappies

Babies go through many diapers; twins can go through up to 20-22 in a day. Nappies aren't the most spectacular present for twin newborns, but they are helpful, and having twins is an expensive endeavor.

If the twins were delivered prematurely, they might require specially designed baby diapers like highly soft. These diapers are very tiny and have characteristics that make them more convenient and pleasant for a baby, particularly those infants in the NICU.

However, find out whether parents prefer disposable or cloth diapers and provide them accordingly before you buy a batch of diapers.

## Should you get the same present for twins?

This is purely a matter of preference and what you believe the parents' current choices are. Even though it's not everyone's cup of tea, it can be incredibly wonderful to buy both twins matching gifts.

For example, a pink sleepsuit for a [Twin Girls outfit](#) and a blue sleepsuit for a twin baby boy might be purchased if you're buying gifts for a baby boy and a baby girl. You could also purchase the same unisex toys or clothing in various colors.

## What should I budget for a baby present for twins?

The amount you spend on a baby gift entirely relies on your relationship with the person, what you want to get, and your financial situation.

There shouldn't be any pressure to spend a specific amount, and you'll probably know what's reasonable. Although you might anticipate spending more than you would if it were a present for just one baby because it is a set of twins, this does not need to spend twice as much.

### **Do you bring two gifts to a baby shower for twins?**

It would be typical to get something for both babies when shopping for twin baby presents. Budgeting only requires you to spend what you can afford. You might purchase two products for the same price as one more high-end item because baby clothes and toys come in a wide variety of costs.
