Schools of Life

SEANCE 5 – Boarders'Life at Gordonstoun School

OBJECTIFS :

- Repérer les informations principales d'une vidéo et les organiser.
- Découvrir le quotidien et les avantages d'une très petite école dans les Highlands en Écosse

DÉROULÉ DE LA SÉANCE:

1 – CO Vidéo et introduction

The school looks very old and beautiful. It looks very big. There are trees, grass fields, and open grounds. Two pupils in uniform are showing their school / giving a tour of their school. Their names are Caitlin and Mayon.
The atmosphere in the school is welcoming. The school looks very nice, very calm and quiet. The pupils have their favourite places. It's a safe campus. They live in a warm environment.

- Manon's typical day

Mayon wakes up in a house in Round Square. He has breakfast at the canteen. He goes to classes with Caitlin.
When he has a free period, he goes to the library. He has lunch at the canteen. After classes, he goes swimming or he climbs the climbing wall. He also has dinner in school.
At the weekend, he walks to the beach or he hikes in the mountains or he goes boating. It's a special school, the pupils can do a lot of activities. They are very lucky.

- Pupils' opinions

They think Gordonstoun is fantastic. They love it there, and Mayon especially likes the diversity. Caitlin thinks / says the school has their interests at heart / the school cares about the students' interests. This video is an ad / promotional video for the school to attract new pupils. It shows the best of the school. But we never see the pupils in class!
