

Lis le texte et reconstitue l'arbre généalogique de la famille royale britannique.

Queen Elisabeth II is 94 years old. Her husband is Prince Philip. They have four children: three sons (Prince Charles, Prince Andrew and Prince Edward) and one daughter, Princess Anne.

Prince Charles has two sons: Prince William and Prince Harry. Lady Diana is their mother. But she died in 1997 in Paris in a car accident. Prince Charles remarried with Camilla Parker Bowles, so she is William and Henry's stepmother.

Prince William's wife is Kate Middleton and they have three beautiful children: George, Charlotte and Louis. Harry married Meghan Markle in 2018.
