A new study out this week says school clubs help pupils at school. We spoke to some pupils from Liberton High School.

TODAY'S TOPIC:

What do you think about after school clubs? Do you think they help you do well at school?

"After a long day at school, I can relax and play football outside, it's great! And then I'm ready for my homework!"
Sofia, 13

"I love making new friends. Now I like going to school because I see my friends from the board games club."
Luca, 12

"I go to crafts club and I love making presents for people, but I don't really think it helps me with my school work. For me, it's just fun!"
Mia, 12

"I love going to the chess club because I spend time with my friends. Plus I think playing chess helps me with my maths."
Matthew, 12

Adapted from interviews in a school magazine.
