The Dormitories

The Nevermore Dormitories are where students live. There are two halls for boys and girls. There are some house rules that must be strictly followed: lights off at 10:00 pm, no loud music, and it's forbidden to have boys or girls in each hall.

Our pride : The Nevermore uniform

The school uniform's signature piece is a vivid indigo-striped blazer.

The purple and yellow Nevermore crest is featured on the left chest pocket of each blazer.

Underneath, students can wear a muted purple or gray sweater vest over a white dress shirt and a black tie or indigo tie or reversible black and indigo tie. Students are permitted to wear their Nevermore varsity jackets instead of their blazers.

Female students wear striped pleated skirts that reach the knees, and male students wear black pants.

Stockings and knee-high socks are optional for female students, most commonly seen in black.
